

Acceptable Use Policy

Business Development Agent Acceptable Use Policy

Effective Date: 7/8/2026

This Acceptable Use Policy applies to all users of Business Development Agent, owned and operated by **Sean Pelillo Enterprises**.

Users agree to use the platform responsibly, lawfully, and in a way that does not harm customers, other users, the platform, or third-party services.

1. Prohibited Uses

Users may not use Business Development Agent to:

- Provide false or deceptive quotes.
 - Misrepresent services, pricing, or business capabilities.
 - Commit fraud.
 - Violate applicable laws or regulations.
 - Harass, threaten, or discriminate against customers.
 - Collect customer information without proper purpose.
 - Send spam or unauthorized marketing messages.
 - Upload or transmit malware, viruses, or malicious code.
 - Attempt to bypass security controls.
 - Reverse engineer, copy, scrape, or resell the platform.
 - Overload, disrupt, or abuse the platform.
 - Use the platform for illegal goods, illegal services, or deceptive commercial activity.
-

2. AI Output Responsibility

Users are responsible for reviewing and verifying AI-generated quotes, messages, customer responses, and quote documents.

Business Development Agent should not be used as a substitute for professional judgment, site inspections, contract review, or final pricing approval.

3. Customer Data

Users may only submit customer information that they are authorized to collect and use for business purposes.

Users are responsible for complying with applicable privacy, communication, and consumer protection rules.

4. Platform Protection

Sean Pelillo Enterprises may suspend or terminate access if a user violates this policy or uses the platform in a way that creates risk for Business Development Agent, customers, third-party providers, or other businesses.

5. Reporting Abuse

Abuse may be reported to:
